INCIDENT: Suspect charged with felony assault after striking female with metal object

Last night just before 9PM, Dutchess County 911 received a call for a fight between a male and female at the Park Manor Apartments on Haviland Road. Hyde Park Police responded and determined that the female subject had suffered facial injuries after being struck with an object. The male was not present with her at the time police arrived.

Police were able to ascertain the location of the male subject, inside of an apartment at that location; it was learned he had allegedly struck the female subject with a section of a metal window frame, which was also located and seized as evidence. EMS responded to the scene to attend to the female victim; she suffered cuts and bruising but her injuries as not described as life threatening. The suspect, later identified as 52-year-old John Barone of Hyde Park, was taken into custody and brought to HPPD for processing. Barone was arraigned late last evening before the Hon. Judge Kennedy in Hyde Park Town Court, and was remanded to the Dutchess County Jail on \$1,000 cash / bond; a preliminary hearing will be scheduled. State Police also backed up Hyde Park PD units at the scene.
