INCIDENT: One car crash claims life of 23-year-old Hyde Park woman

Yesterday at app. 8:15 AM, Hyde Park Police were dispatched to the area of 138 Cream St. after Dutchess County 911 received a call of a serious one-car accident. Police, fire and ambulance personnel arrived at the scene and immediately attended to the driver, who was the only occupant in the vehicle. The driver was removed from the wreckage and transported to St. Francis Hospital; despite the efforts of emergency service and hospital personnel, the victim succumbed to her injuries.

The investigation revealed that the vehicle was south on Cream St. and appeared to cross over the oncoming lane and left the roadway, striking several trees. The victim was identified as 23-year-old Tara A. Villmore of Staatsburg, NY.

The New York State Police Accident Reconstruction Team was requested to the scene by Hyde Park Police; the roadway was closed for several hours while the NYSP conducted their investigation. While autopsy and toxicology results are pending, drugs or alcohol do not appear to be a factor in the accident at this time. The investigation is continuing into this tragic accident.
