### **Residents are again reminded to call the Police Department when they observe suspicious activity or persons**

The Town of Hyde Park Police Department is once again investigating a number of residential burglaries. Residents are reminded to please call Police Headquarters if they observe suspicious activity, vehicles or persons in their neighborhoods.

Residents know their neighborhoods better than the Police do. They see the people who walk in the neighborhoods, they know the vehicles, and in many cases they know when people are home or are at work. If something doesn't look right... in most cases it's not.

It is never recommended that you approach or attempt to engage anyone; but it is very helpful when contacting police to stay on the line with the officer or dispatcher, and provide whatever information possible: sex, approximate age, height and weight, clothing description, vehicle description, and the nature of the activity.

Property crimes are a troublesome one for law enforcement, especially during these trying economic times. People are reminded not to hesitate to contact the Town of Hyde Park Police Department at 229-9340, or dial 911, if they see suspicious persons or behavior in their neighborhoods.
