INCIDENT: Police recover stolen backhoe; investigation continuing

The Town of Hyde Park Police Department is no longer seeking the assistance of the public in locating a stolen Kubota tractor, believed to have been taken from a residence on North Cross Road late last week and reported to police this past weekend.

Based on an investigation, Hyde Park Police and the New York State Police in Stormville have recovered the 2005 Kubota backhoe, with an estimated value of over \$37,000. It was recovered last night in the Stormville area. Hyde Park Police have impounded the tractor, and the investigation is continuing. The Dutchess County District Attorney's Office is also assisting with the investigation.
