

Hyde Park Recreation's Spring Bus Trip
Cirque Du Soleil – Banana Shpeel
At the Beacon Theatre in NYC
Sunday, May 16th – 3:00 show

Don't miss the brand new show from *Cirque du Soleil, Banana Shpeel*, with performance styles inspired by vaudeville, that blends comedy with tap, hip hop, eccentric dance and slapstick, all linked by a hilarious narrative that ignites a succession of wacky adventures.

Propelled by crazy humor and intense choreography, *Banana Shpeel* plunges us into the world of Schmelky, a brash, ambitious producer who is trying to put together a spectacular variety show. His world is populated with sidekicks, dancers, singers and novelty acts – and a bunch of badly behaved clowns who crash the auditions spreading chaos in all directions.
