RE: Teen Center at Haviland Middle School

Aileen Rohr, Town Supervisor has announced the following information to us on the status of the Teen Centers that have been taking place at The Haviland Middle School. Below is a most recent announcement from Aileen Rohr, Town Supervisor addressing the status of this Teen Centers:

The Teen Center has been suspended due to a need to restructure our program due to the increasing difficulty in securing enough supervision in advance for the large number of youth that come to our popular Teen Center nights. Our goal is provide youth with a variety of fun activities in a safe and well supervised environment.

Unfortunately, over the past few years there has been a decrease in volunteers who have been the backbone of this program – assisting in the supervision of the youth along with our staff. In this light, the Town has determined in the best interest of the youth, volunteers and staff that we need to either restructure or create new programming where participants can still engage in a variety of fun and well supervised activities in a safe and healthy environment.

The Town in collaboration with the PTA and the HPCSD looks forward to the development of a structured, safe and fun replacement program and will keep parents and students informed as the program moves forward.

Aileen Rohr

Town Supervisor
