

Historic Town of Hyde Park

4383 Albany Post Rd. NY 12538. (845) 229-5111 Fax (845) 229-0831

Aileen Rohr, Town Supervisor

“Working with you for a better Hyde Park”

In response to the public health threat of COVID-19, Governor Cuomo has issued the directive to local governments to reduce staff by 50%. In order to keep the public and town hall staff safe, Hyde Park Town Hall will be closed to the public from March 16th through Sunday, March 22nd with employees working from home or within the closed Town Hall. This closure may be extended.

More details on contacting staff through phone and e-mail will be posted later this morning.

Additional directives through the County and State have been put in place, including prohibition on gatherings of over 20 people, and the closure of all restaurants, gyms, and theaters. Take-out, curb side pick-up and delivery are allowed and encouraged.

The Town has cancelled Planning Board, Zoning Board of Appeals and Commission meetings through the month of April. Town Board meetings will continue with limited agendas designed to assure the continuous operation of the Town. Plans for the adoption of the Map, Plan and Report and Public Hearing for the Route 9 Sewer District have been placed on hold until further notice.

The Town is working with volunteer groups to develop plans to assist those in need.

More information on COVID-19 can be found at:
