III. APPLICANT INFORMATION:

APPLICANT NAME: Jay Diesing, RA AIA - Mauri Architects PC

ADDRESS: 73 Mansion Street

Poughkeepsie, NY 12601

PHONE NUMBER: 845-452-1030

Email address: jay@mauri-architects.com

Part II – Request

The Applicant requests a **SPECIAL PERMIT** for the use of the above described property as provided under Section 108- 8.2 (C) of the Code of the Town of Hyde Park for the following purposes:

Demolition of an existing Fuel Station and construction of a new 3,150 SF Convenience Store and Fuel Station with 5 pumps (two filling stations at each pump).

The Applicant alleges that the approval of said SPECIAL PERMIT will be in harmony with the intent and purpose of said zoning code and standards for such special use permit as outlined in Section 108-8.4 Standards, as well as, Articles 4 and 5 of this chapter, and that the proposed use will be consistent with the purposes of the district in which it is located, and would not be detrimental to property or persons in the neighborhood for the following reasons:

Approval of the Special Use Permit will result in an improvement of the property which currently contains an existing special use (fuel station). The reconstruction of the convenience store and fuel station will improve the building aesthetics and modernize the fuel station environmental protections. Additionally, fuel stations uses are located through-out the Town in other areas zoned as Neighborhood Business Districts (Speedway & Stewart's located on Route 9). For these reasons granting of the special use permit will be in harmony with the Zoning Code and will not be detrimental to the property, neighborhood or the Town.

PART III – DOCUMENTATION

The Applicant is to submit the following supporting documentation:

1. Original and 13 copies of a written statement describing how the request complies with the standards for issuance of a Special Use Permit.
 - i. Compliance with the applicable requirements contained in Articles 4 and 5 of this chapter, will be consistent with the purposes of the district in which it is located.
 - ii. Consistent with the purposes of § 108-1.4. [Amended 8-24-2009 by L.L. No. 2-2009]

SPECIAL USE PERMIT

- iii. Will not result in excessive off-premises noise, dust, odors, solid waste or glare, or create any public or private nuisances. [Amended 8-24-2009 by L.L. No. 2-2009]
 - iv. Will not cause significant traffic congestion, impair pedestrian safety, or overload existing roads, considering their current width, surfacing, condition, and any proposed improvements made to them by the applicant.
 - v. Will be suitable for the proposed action considering the property's size, location, topography, vegetation, soils, natural habitat, hydrology, hydrogeology and, if appropriate, its ability to be buffered or screened from neighboring properties and public roads.
 - vi. Will be subject to such conditions on operation, design and layout of structures and provision of buffer areas as may be necessary to ensure compatibility with surrounding uses and to protect the natural, historic and scenic resources of the Town.
2. Original and 13 copies of Site Development Standards (108-4.5), by specific reference, to which the applicant objects, with supporting data and rationale for each.
 3. Original and 13 copies of the Plot Plan to scale showing:
 - The size of the parcel,
 - The zoning district,
 - The size and location of the proposed use on the parcel in terms of scale and/or density of the proposed special use,
 - Location of all existing uses on the lot,
 - The type and location of sewer and water service to the existing and proposed uses,
 - The existing and proposed points of vehicular access,
 - The existing and proposed location of all pedestrian circulation and access,
 - The approximate location of all required and proposed off-street parking,
 - Any environmental concern as identified in 108-4.3(G) that is located on or adjoins such lot,
 - Any historic district, area, place or asset as identified in 108-4.6 that is located on or adjoins such lot, and
 - Any scenic road as identified in 108-4.7 that is located on or adjoins such lot.
 4. If the application is for Adult Entertainment additional information as required in 108-30.7(E) must also be submitted in original form with twelve copies.
 5. Original and 13 copies of SEQRA ENVIRONMENTAL ASSESSMENT FORM.
 6. Original and 13 copies of an agricultural data statement, where applicable.
 7. If an area variance is required, a copy of such application shall be attached.
 8. In the case of apartments within one-family dwellings please provide a density evaluation and fill out Attachment "A.", providing the original and twelve copies.
 9. Original and twelve copies of any additional documentation that the applicant believes to be necessary for a complete and full description of the Special Use requested.

SPECIAL USE PERMIT

**ESCROW PROCEDURES
ATTACHMENT B**

Upon initial application to the Planning Board, an applicant or his/her agent is responsible to deposit with the Town an escrow or combination escrow amount as established by the Town Board or by the Chair or his/her designee in advance of the review of the application.

Upon receipt of your escrow, an account will be set up specifically for your project. The funds will be placed in a non-interest bearing account maintained by the Town of Hyde Park and will be used by the Planning Board for consultation with professional review services provided by engineers, lawyers, architects, landscape designers, surveyors, appraisers, planners and related professionals. Professional review expenses are billed at an hourly rate and you will be responsible for these bills as it pertains to your project. For instance, as the Town receives bills for work performed on your project from its consultants (i.e., Attorney, Engineer, Planner, etc.), your escrow will be used to pay these bills. The Chair or his/her designee prior to approval verifies bills by the Town Board for payment. At any time, you may **request copies of the bills processed against your escrow directly from project Consultants. Please contact the ZBA or Planning Board Secretaries for the email address for the project consultant.**

Before receiving the final decision by the Planning Board regarding your application, any bills submitted by the consultants used by the Planning Board will be fully paid by your escrow.

If at anytime there are insufficient funds in your account to cover the bills, there will be a delay in your application being placed on the agenda, review of your project, and delay in your project being considered for final decision. In the event that you fail to deposit the requested review fees into an escrow account, any application review, approval, permit or certificates of occupancy shall be withheld or suspended by the reviewing board, officer or employee of the Town until such monies are deposited. In addition, no application to the Town Board, Planning Board or Zoning Board of Appeals shall be accepted, nor shall any building permit or Certificate of Occupancy be issued, if said applicant has outstanding any fees due the Town from any previous applications.

The Town may invoke any and all legal remedies provided to it under applicable laws including Article 36 of the Hyde Park Zoning Code, including charging such sums against the real property subject to the permit application and adding that charge to and making it a part of the next real property tax bill associated with the subject property.

After all bills are paid in full, the Board will authorize release of any escrow balances to you or your designee.

Please sign below as agreement to the terms of the escrow procedures.
